The Order of the Lily and the Eagle

Table of Contents

Preface: Eon—The Path of Initiation

An introduction to the aims, teachings, and work of the Order of the Lily and the Eagle.

The Written Word and The Oral Tradition

A caveat: The truth of initiation lies in experiencing, and not in written words.

The Symbolism of the Lily and the Eagle

Some roads to travel in meditating on these powerful and sacred symbols.

Part I — Initiatic Advices

Emotional Liberty

The inner work of gaining emotional liberty. What does it mean to be emotionally free?

Two Initiatic Advices: Love and Wisdom

Two simple advices, and their deeper transformational import.

The Word of the Magician

Moving from mechanical to conscious responses.

What The Magician Said To The Fool: A Tarot Musing

A meditation on the symbolism of the Tarot.

Reflections on Strength

The meaning of inner strength, and the irrational conceptions that hinder its expression.

The Convention of Romantic Love

Is Romantic Love a form of self-love in disguise? Moving from Romantic Love to Love of Another.

The Fad of Self Esteem

A refutation of the popular concept of self-esteem from the initiatic point of view.

To Love

To love, sublime words in which everything is contained, sweetness and power.

Initiatic Notes

Concise thoughts on selected aspects of initiatic work.

Prayer

The meaning and purpose of prayer or meditation.

Initiatic Work and The Daily Difficulties of Life

Finding and using the “secret” key to the initiatic transformation of Personality.

Part II — On Personality: The Initiatic Concept

Theorems I and II on Personality

The first two theorems on Personality from the Order of the Lily and the Eagle, with introduction and commentary.

Living Personality

Clarification on the meaning of the theorems.

The Flowing Fountain

Personality as the flowing fountain of virtual faculties.

The Play's The Thing!

Life is like a play . . . but how'd we get our roles? Who's the director? Who wrote the script? And who is the Actor behind the role?

Personality — The Mask For Revealing

*Personality: the "mask" through which a conscious **I** can reveal itself.*

On Confidence

Experiencing confidence in what one really is.

Personality is No Thing

Sensing our self as a dynamism of virtual faculties, rather than as a fixed and static "thing."

The Organ-ization of Personality

*Personality as an organ of expression for the consciousness of **I**.*

A Severed Branch

One's ordinary sense of self is like a branch severed in consciousness from the source of its life.

The Allegory of Parsifal

This enigmatic allegory hides the truth of the resurrection of Personality in the story of Parsifal, the fool who does not even know his name.

Part III — From the Archives of the Order of the Lily and the Eagle**The Founders of the Order of the Lily and the Eagle****The Eonian Tradition: A Short History**

The history and aim of the Eonian tradition.

Biblical Vision: Elijah

The death of Elijah and the inception of the Order of the Rose.

Initiatic Meditation: What The Sphinx Says

What is it that the Sphinx says to the one who contemplates it?

Astrosophy and Cosmogony

An introduction to Orphic and Pythagorean Astrosophy and Cosmogony, with commentary.

The Formidable Passage

A journey to the Invisible . . . and back.

Endpiece: The Magnum Opus of the Initiate
